I give/do not give* my permission for anonymous use of images / film of:				
Childs Name: .....				
Signature (parent/ guardian) .....				

Dear Parent/Carer

I am delighted to officially write to invite you to our 2021 Summer School. We believe this will really support the transition of your child into the Academy.

Bubble Up will be an innovative learning programme that we are developing with the arts education charity [Curious Minds](#). Over the 23<sup>rd</sup> to the 27<sup>th</sup> August we will be offering a range of arts, culture, creativity and fun experiences. The workshops will be delivered by selected professional practitioners, arts and cultural organisations and teachers from the Academy.

I firmly believe that young people need a summer of arts, culture, creativity and fun experiences that have largely been absent over the last year. To do this we are recruiting high quality freelance practitioners of arts and other organisations to deliver engaging creative activities.

The Bubble Up programme is designed to ensure that all our new students benefit from:

- Enjoying new experiences
- Building confidence
- Reinforcing learning
- Developing creativity
- Feeling comfortable with new peers
- Feeling hopeful and positive as we start life at the Academy

The final session of the week will be a 'graduation' event for all students regardless if you have been able to attend all or some of the Academy sessions. At the graduation, you will be presented by with your new blazer and tie as we mark the start of your journey as an Academy student. The final day will also serve as a showcase of the weeks work.

We hope that you are able to attend some or all of the sessions in the final week. We know it will be a fantastic experience.

Please fill in the form and return it to the school or complete the linked Google Form to reserve your place by **11am on Monday 28 June 2021**. The places are strictly limited!
